Subject: New Jersey Legislation

I'd like to take this opportunity to thank everyone with sales responsibility in New Jersey for helping to supply us with important information about upcoming meetings in various townships/freeholds. To date we have received information for proposals in Bergen County (Old Tappan, Northvale, Midland Park & Waldwick), Monmouth County (Colts Neck, Farmingdale Borough, Freehold Borough, Howell Township, Long Branch & Red Bank Borough), and Ocean County (Point Pleasant & Tuckerton). The restrictions often start out as a ban on vending machines at the meetings and then become a self service display issue also. Also, we can't help but notice that the bans are spreading rapidly in the state of New Jersey. If you hear of any proposals, please don't hesitate to give my office a call, regardless of how insignificant the proposal may seem at the time. I can be reached at (910) 741-7507 or faxed information at (910) 741-1205. Please share this information with anyone else you feel needs to know about this(sales or customers).

Thank you again for your prior efforts. I'd like to say I look forward to hearing from you, but that normally means we have another fight on our hands. Any information you pick up would be a big help.

Best regards,
Bruce A. Cook
